

Student Campus Policies & Guidelines Handbook (2026)

Published by: Office of Academic Affairs & Student Welfare

Applicable to: All Undergraduate, Postgraduate, and Doctoral Students

1. Attendance and Leave Policy

A minimum attendance of **75%** is mandatory in each registered course to be eligible to sit for the semester end examinations. Students with attendance between 65% and 74% may be condoned by the Dean of Academic Affairs only on medical grounds, provided a valid medical certificate issued by the University Health Centre is submitted within 3 working days of resumption of classes. Students with attendance below 65% will receive an 'F' grade (Attendance Shortage) and must repeat the course.

2. Academic Integrity & Plagiarism Regulations

The university maintains a zero-tolerance policy towards academic dishonesty, including cheating in examinations, fabrication of data, and plagiarism. For all assignments and capstone projects, similarity index must not exceed **15%** (excluding bibliography). Submitting AI-generated code without explicit disclosure and attribution is considered an academic violation. Penalties for plagiarism range from zero marks in the assessment for a first offence, to course failure or semester suspension for repeated violations.

3. Central Library Guidelines & Hours

The Central Library is open from **8:00 AM to 11:00 PM on weekdays**, and from **9:00 AM to 6:00 PM on weekends and public holidays**. During end-semester examinations, the reading rooms remain open 24 hours. Undergraduate students may borrow up to 4 books for a period of 14 days. Postgraduate students may borrow up to 6 books for 28 days. A late fee of **\$0.50 (Rs. 10) per day per book** is levied on overdue loans.

4. Computing Laboratories and High-Performance Cluster Access

The AI & Deep Learning Lab (Lab 405) is equipped with NVIDIA RTX 4090 GPUs. Access is available Monday through Friday from 9:00 AM to 8:00 PM. Students requiring GPU cluster time for their capstone projects must submit an allocation request signed by their project guide. Food and beverages (except sealed water bottles) are strictly prohibited in all computing labs.

5. Grievance Redressal and Contact Directory

Students facing academic or administrative issues may contact the Student Welfare Cell in Administrative Block Room 104, or email grievance@apex.edu. The Anti-Ragging Helpline operates 24/7 at toll-free number 1800-180-5522.
